

WELDER GENERATOR SET

- A dual-use machine with excellent performance allows the customers low cost.
- With the features of easy arc striking with steady electric arc and convenient adjustment of welding current, which allows easy operation.
- Stable-Arc 6-Phase Half Wave Current for Welding.
- Compact and Light Weight.

- 一机双用，性能卓越，理性的性价比，让用户享受到更多的经济实惠。
- 引弧容易，电弧稳定，焊机电流调节方便，让焊接操作更加得心应手。
- 采用6相半波整流，焊接稳定。
- 紧凑，重量轻。
